

CURRICULUM VITAE

Name	Klaus Riede
Address	<u>Office:</u> Zoologisches Forschungsinstitut und Museum Alexander Koenig Adenauerallee 160 D-53113 Bonn Germany Tel int+ 49 (0)228 9122 234, Fax int+ 49 (0)228 9122 291 email: k.riede.zfmk@uni-bonn.de Homepage: http://www.groms.de/data/riede/riede.html <u>Home:</u> Weinbergweg 6 D-53227 Bonn Tel int+ 49 (0)228 469 750
Date of Birth	4.3.1953
Marital status	Married
Nationality	German
Education	Biology with emphasis on zoology, animal physiology, biocybernetics, biomathematics, applied physics. Tübingen University, Germany
1982	Dissertation (Ph. D.) in Zoology, Tübingen University and Max-Planck-Institute for Behavioural Physiology, Seewiesen Thesis on behavioural ecology and physiology of courtship in the acridid grasshopper <i>Gomphocerus rufus</i> L.
1995	Habilitation, Freiburg University
Fields of interest	Biodiversity, Informatics, Tropical entomology, Taxonomy (Insecta: Orthoptera), Bioacoustics, Neuroethology,
Languages	German (mother tongue), English, Spanish, French
Computer skills	Programming (FORTRAN, Visual Basic, MatLab, Assembler), Multimedia applications and acoustic signal processing, Databases (SQL, MS-Access), GIS (Arcview), HTML, MS-Office
Professional Experience	
2002 to present	Research associate at the Zoological Museum and Research Institute Alexander Koenig, to develop the Global Register of Migratory Species (GROMS), with funds from the UNEP-CMS Secretariat of the "Convention on the Conservation of Migratory Species of Wild Animals" (CMS or Bonn Convention)
1997 to 2002	Senior researcher at Bonn University (Center for Development Research): Development of the geo-database „Global Register of Migratory Species“ (R&D project funded by the German Ministry of Environment), in cooperation with Zoological Research Institute and

Museum Alexander Koenig, Bonn, and the Secretariat of the UN Convention on Migratory Species. (www.groms.de)

Fund raising and initiation of „DORSA: German Orthoptera collections“ (part of the BIOLOG project funded by the German Federal Ministry of Education and Research) (www.dorsa.de)

Teaching at Bonn and Freiburg University (Tropical ecology, Biodiversity)

1989 to 1997 Researcher at the Zoology Department, Freiburg University, Germany
Teaching: animal physiology, Tropical biology. Seminars held at Aarhus University, Denmark, and University of Popayán, Columbia (in Spanish)

Research project on "Tropical Orthoptera diversity“, including field work and laboratory research on insect bioacoustics

1987-1989 Research assistant at the Department of Animal Physiology and Biocybernetics, Tübingen University
Neuroethology of insect sound communication

1986 Postdoctoral grant at the Muséum d'Histoire Naturelle, Paris, at the laboratory of Dr. C. Amédégnato
Taxonomic analysis of Orthoptera collected during my fieldwork in Latin America.

1983-1985 Postdoctoral grant for research on behaviour and ecology of Neotropical Orthoptera
Field and museum work in Latin America (Argentina and Ecuador).

Bonn, 12.03.04

Klaus Riede
